3. With effect from the Effective Date, the ETF will make quarterly distributions in January, April, July and October of each year or at such other times as the Manager may determine. Please note that the declaration of quarterly distributions is not guaranteed and is at the discretion of the Manager. The Manager may review the distribution policy and/or frequency in the future depending on prevailing market conditions.

Please refer to the Appendix of this announcement for a graphical representation of the difference in historical returns between the Current Index and the New Index.
